Booker Avenue Infant School

British Values

2026-29

At Booker Avenue Infant School we value all of our children and families.

We promote mutual respect in an inclusive setting.

We want our children to be independent learners so they can make their own choices and build and develop strong relationships and friendships with lots of people.

We expect children to join in and try their best and to follow our simple rules.

All of these things are the foundations for our children to grow into good citizens and promote the "British Values" of democracy, the rule of law, individual liberty, mutual respect and tolerance.

Democracy

- Share ideas and experiences
- Children given opportunity to plan own activities
- Share resources
- Parents run P.T.A
- Governors represent the community
- We listen to children's and parent's voices

Rule of Law

- We expect children to follow our simple rules
- Children understand why we have rules
- Our policies and procedures are consistent
- There is a consequence if a rule is broken

Individual liberty

- Children are encouraged to make choices
- We educate children and provide boundaries so they can make choices safely
- We collaborate individual interests

Mutual Respect

- We understand that all children are different
- We recognise they all develop at their own rates
- We work hard to build relationships with families
- We celebrate different occasions that are important to our families and the wider world

Tolerance

- We promote respect and tolerance for different people, faith, cultures and languages
- We have positive images reflecting diversity
- We ensure we offer children exposure to a wide range of cultures over their time at Booker Avenue Infant School
