Booker Avenue Infant School

PHOTOGRAPHY

2026-29

Throughout the time that your child is at Booker Infants staff take photographs for our website, displays around school, special events and videos of school productions.

We understand that there are some parents who do not wish for their child to have photographs taken in school. If you do not want your child to have photographs/videos taken then **THIS MUST BE PUT IN WRITING TO THE HEADTEACHER.**

If you make this request please be aware that this will be for all areas of photography within the school including use on the school website, videos of school productions, pictures around the school and photographs of special events.

Each year a professional photographer will take both individual and class photographs for you to purchase.

The proofs for these are sent home and parents can then make an order directly with the Photographer.

If you do not want your child to have their photograph taken for this purpose **THIS MUST BE PUT IN WRITING TO THE HEADTEACHER.**
