

## A Million Dreams

I close my eyes and I can see  
A world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh, a million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make  
For the world we're gonna make

## Spoonful of Sugar

In every job that must be done  
There is an element of fun  
You find the fun and snap!  
The job's a game

And every task you undertake  
Becomes a piece of cake  
A lark! A spree! It's very clear to see that

A Spoonful of sugar helps the medicine go down  
The medicine go down-wown  
The medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

A robin feathering his nest  
Has very little time to rest  
While gathering his bits of twine and twig  
Though quite intent in his pursuit  
He has a merry tune to toot  
He knows a song will move the job along - for

A spoonful of sugar helps the medicine go down  
The medicine go down-wown  
The medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

The honey bee that fetch the nectar  
From the flowers to the comb  
Never tire of ever buzzing to and fro  
Because they take a little nip  
From every flower that they sip  
And hence (And hence),  
They find (They find)  
Their task is not a grind.

Ah-h-h-h-h-h-h-h-h-h-h ah!

A Spoonful of sugar helps the medicine go down  
The medicine go down-wown  
The medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

## Can't Stop The Feeling

I got this feelin' inside my bones  
It goes electric, wavy when I turn it on  
All through my city, all through my home  
We're flyin' up, no ceilin', when we in our zone

I got that sunshine in my pocket  
Got that good soul in my feet  
I feel that hot blood in my body when it drops (ooh)  
I can't take my eyes up off it, movin' so phenomenally  
Room on lock, the way we rock it, so don't stop

And under the lights when everything goes  
Nowhere to hide when I'm gettin' you close  
When we move, well, you already know  
So just imagine, just imagine, just imagine

Nothin' I can see but you when you dance, dance, dance  
Feel a good, good creepin' up on you  
So just dance, dance, dance, come on  
All those things I shouldn't do  
But you dance, dance, dance  
And ain't nobody leavin' soon, so keep dancin'  
I can't stop the feelin'  
So just dance, dance, dance  
I can't stop the feelin'  
So just dance, dance, dance, come on

Ooh, it's something magical  
It's in the air, it's in my blood, it's rushin' on (rushin' on)  
I don't need no reason, don't need control (don't need control)  
I fly so high, no ceiling, when I'm in my zone

'Cause I got that sunshine in my pocket  
Got that good soul in my feet  
I feel that hot blood in my body when it drops (ooh)  
I can't take my eyes up off it, moving so phenomenally  
Room on lock, the way we rock it, so don't stop

Under the lights when everything goes  
Nowhere to hide when I'm gettin' you close

When we move, well, you already know  
So just imagine, just imagine, just imagine

Nothing I can see but you when you dance, dance, dance  
Feel a good, good creepin' up on you  
So just dance, dance, dance, come on  
All those things I shouldn't do  
But you dance, dance, dance  
And ain't nobody leavin' soon, so keep dancin'  
I can't stop the feelin'  
So just dance, dance, dance  
I can't stop the feelin'  
So just dance, dance, dance  
I can't stop the feelin'  
So just dance, dance, dance  
I can't stop the feelin' (yeah)  
So keep dancin', come on

Oh, yeah, oh  
I can't stop the, I can't stop the  
I can't stop the, I can't stop the  
I can't stop the feelin'

Nothin' I can see but you when you dance, dance, dance (I can't stop  
the feelin')  
Feel a good, good creepin' up on you  
So just dance, dance, dance, come on (I can't stop the feelin')  
All those things I shouldn't do  
But you dance, dance, dance (dance, dance, dance) (I can't stop the  
feelin')  
And ain't nobody leavin' soon, so keep dancin' (I can't stop the feelin')

Everybody sing  
Got this feeling in my body (I can't stop the feelin')  
Got this feeling in my body (I can't stop the feelin')  
Wanna see you move your body (I can't stop the feelin')  
Got this feelin' in my body  
Break it down  
Got this feelin' in my body (can't stop the feelin')  
Got this feelin' in my body, come on (ooh)

## Golden

I was a ghost, I was alone  
어두워진 앞길 속에 (ah)  
Given the throne, I didn't know how to believe  
I was the queen that I'm meant to be (oh)

I lived two lives, tried to play both sides  
But I couldn't find my own place (oh, oh)  
Called a problem child, 'cause I got too wild  
But now that's how I'm gettin' paid, 끝없이 on stage

I'm done hidin', now I'm shinin'  
Like I'm born to be  
We dreamin' hard, we came so far  
Now I believe

We're goin' up, up, up, it's our moment  
You know together we're glowin'  
Gonna be, gonna be golden  
Oh, up, up, up with our voices  
영원히 깨질 수 없는  
Gonna be, gonna be golden

Oh, I'm done hidin', now I'm shinin'  
Like I'm born to be  
Oh, our time, no fears, no lies  
That's who we're born to be

Waited so long to break these walls down  
To wake up and feel like me  
Put these patterns all in the past now  
And finally live like the girl they all see

No more hidin', I'll be shinin'  
Like I'm born to be  
'Cause we are hunters, voices strong  
And I know I believe

We're goin' up, up, up, it's our moment  
You know together we're glowin'  
Gonna be, gonna be golden

Oh, up, up, up with our voices

영원히 깨질 수 없는

Gonna be, gonna be golden

Oh, I'm done hidin', now I'm shinin'

Like I'm born to be

Oh, our time, no fears, no lies

That's who we're born to be

You know we're gonna be, gonna be golden (oh)

We're gonna be, gonna be (oh)

Born to be, born to be glowin' (oh)

밝게 빛나는 우린

You know that it's our time, no fears, no lies (oh, oh)

That's who we're born to be

## Let It Go

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation  
And it looks like I'm the queen

The wind is howling like this swirling storm inside  
Couldn't keep it in, heaven knows I tried  
Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance makes everything seem small  
And the fears that once controlled me can't get to me at all  
It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry  
Here I stand and here I stay  
Let the storm rage on

My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back, the past is in the past

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone  
Here I stand in the light of day  
Let the storm rage on  
The cold never bothered me anyway

## Try Everything

I messed up tonight, I lost another fight  
Lost to myself, but I'll just start again  
I keep falling down, I keep on hitting the ground  
I always get up now to see what's next

Birds don't just fly, they fall down and get up  
Nobody learns without gettin' it wrong

I won't give up, no, I won't give in  
'Til I reach the end, and then I'll start again  
No I won't leave, I wanna try everything  
I wanna try even though I could fail

I won't give up, no, I won't give in  
'Til I reach the end, and then I'll start again  
No I won't leave, I wanna try everything  
I wanna try even though I could fail

Try everything  
(Oh, oh, oh, oh, oh)  
Try everything  
(Oh, oh, oh, oh, oh)  
Try everything  
(Oh, oh, oh, oh, oh)

Look how far you've come, you filled your heart with love  
Baby, you've done enough, take a deep breath  
Don't beat yourself up, no need to run so fast  
Sometimes we come last, but we did our best

I won't give up, no, I won't give in  
'Til I reach the end, and then I'll start again  
No I won't leave, I wanna try everything  
I wanna try even though I could fail

I won't give up, no, I won't give in  
'Til I reach the end, and then I'll start again  
No I won't leave, I wanna try everything  
I wanna try even though I could fail

I'll keep on making those new mistakes  
I'll keep on making them every day  
Those new mistakes

Try everything  
(Oh, oh, oh, oh, oh)

Try everything  
(Oh, oh, oh, oh, oh)

Try everything  
(Oh, oh, oh, oh, oh)

Try everything

## Waiting On A Miracle

Don't be upset or mad at all  
Don't feel regret, or sad at all  
Hey, I'm still a part of the family Madrigal  
And I'm fine, I am totally fine  
I will stand on the side as you shine  
I'm not fine, I'm not fine

I can't move the mountains  
I can't make flowers bloom  
I can't take another night up in my room  
Waiting on a miracle  
I can't heal what's broken  
Can't control the morning rain or a hurricane  
Can't keep down the unspoken invisible pain  
Always waiting on a miracle, a miracle

Always walking alone  
Always wanting for more  
Like I'm still at that door  
Longing to shine like all of you shine  
All I need is a change  
All I need is a chance  
All I know is I can't stay on the side  
Open your eyes  
Open your eyes  
Open your eyes

I would move the mountains  
Make new trees and flowers grow  
Someone please just let me know, where do I go?  
I am waiting on a miracle, a miracle  
I would heal what's broken  
Show this family something new  
Who I am inside, so what can I do?  
I'm sick of waiting on a miracle  
So here I go

I am ready  
Come on, I'm ready  
I've been patient and steadfast and steady  
Bless me now as you blessed us all those years ago  
When you gave us a miracle  
Am I too late for a miracle?

## All In This Together

Alright, alright, here we go

Together, together, together everyone  
Together, together, come on, let's have some fun  
Together, we're there for each other every time  
Together, together, come on, let's do this right

Here and now, it's time for celebration  
I finally figured out, yeah, yeah  
That all our dreams (uh) have no limitations  
That's what it's all about (come on now)

Everyone is special in their own way  
We make each other strong (we make each other strong)  
We're not the same  
We're different in a good way  
Together's where we belong

We're all in this together, once we know that we are  
We're all stars, and we see that

We're all in this together, and it shows when we stand  
Hand in hand, make our dreams come true

Together, together, together everyone  
Together, together, come on, let's have some fun  
Together, we're there for each other every time  
Together, together come on, let's do this right

We're all here  
And speaking out with one voice  
We're going to rock the house, yeah, yeah  
The party's on, now everybody make some noise  
Come on, scream and shout

We've arrived  
Because we stuck together  
Champions one and all

We're all in this together, once we know that we are  
We're all stars, and we see that

We're all in this together, and it shows when we stand  
Hand in hand, make our dreams come true

We're all in this together, when we reach we can fly  
Know inside, we can make it

We're all in this together, once we see there's a chance  
That we have, and we take it

Wildcats sing along  
Yeah, you really got it going on  
Wildcats in the house  
Everybody say it now

Wildcats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Time to show the world

Hey, oh, hey, oh alright here we go

We're all in this together, once we know that we are  
We're all stars, and we see that

We're all in this together, and it shows when we stand  
Hand in hand, make our dreams come true

We're all in this together, when we reach we can fly  
Know inside, we can make it

We're all in this together, once we see there's a chance  
That we have, and we take it

Wildcats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Come on everyone

## You've Got A Friend In Me

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles  
From your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
If you've got troubles, I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and can see it through  
Cause you've got a friend in me  
You've got a friend in me

Some other folks might be  
A little bit smarter than I am  
Bigger and stronger too  
Maybe  
But none of them will ever love you  
The way I do, it's me and you

Boy, and as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

## On My Way

Tell ev'rybody I'm on my way,  
New friends and new places to see  
With blue skies ahead, yes I'm on my way  
And there's nowhere else that I'd rather be

Tell ev'rybody I'm on my way,  
And I'm loving every step I take.  
With the sun beating down, yes I'm on my way  
And I can't keep this smile off my face.

'Cos there's nothing like seeing each other again,  
No matter what the distance between.  
And the stories that we tell will make you smile,  
Oh it really lifts my heart.

So tell them all I'm on my way,  
New friends and new places to see.  
And to sleep under the stars, who could ask for more,  
With the moon keeping watch over me?

Not the snow and not the rain can change my mind.  
The sun will come out; wait and see.  
And the feeling of the wind in your face can lift your heart.  
Oh, there's nowhere I would rather be.

'Cos I'm on my way now.  
Well and truly,

I'm on my way now.  
I'm on my way now. (x3)

Tell ev'rybody I'm on my way,  
And I just can't wait to be there.  
With blue skies ahead, yes I'm on my way  
And nothing but good times to share.

So,  
Tell ev'rybody I'm on my way,  
And I just can't wait to be home.  
With the sun beating down, yes I'm on my way  
And nothing but good times to show.  
I'm on my way.  
I'm on my way.

## Touch The Sky

When the cold wind is a-calling  
And the sky is clear and bright  
Misty mountains sing and beckon  
Lead me out into the light

I will ride, I will fly  
Chase the wind and touch the sky  
I will fly  
Chase the wind and touch the sky

Where dark woods hide secret  
And mountains are fierce and bold  
Deep waters hold reflections  
Of times lost long ago

I will hear their every story  
Take hold of my own dream  
Be as strong as the seas are stormy  
And proud as an eagle's scream

I will ride, I will fly  
Chase the wind and touch the sky  
I will fly  
Chase the wind and touch the sky

And touch the sky  
Chase the wind  
Chase the wind  
Touch the sky

## How Far I'll Go

I've been staring at the edge of the water  
'Long as I can remember, never really knowing why  
I wish I could be the perfect daughter  
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track  
Every path I make, every road leads back  
To the place I know, where I cannot go, where I long to be

See the line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know  
If I go, there's just no telling how far I'll go

I know everybody on this island seems so happy, on this island  
Everything is by design  
I know everybody on this island has a role on this island  
So maybe I can roll with mine

I can lead with pride, I can make us strong  
I'll be satisfied if I play along  
But the voice inside sings a different song  
What is wrong with me?

See the light as it shines on the sea? It's blinding  
But no one knows, how deep it goes  
And it seems like it's calling out to me, so come find me  
And let me know  
What's beyond that line? Will I cross that line?  
The line where the sky meets the sea? It calls me  
And no one knows, how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know  
How far I'll go

## Can't Wait To Be King

I'm gonna be a mighty king  
So enemies beware!  
Well, I've never seen a king of beasts  
With quite so little hair  
I'm gonna be the mane event  
Like no king was before  
I'm brushing up on looking down  
I'm working on my roar

Thus far, a rather uninspiring thing  
Oh, I just can't wait to be king!

No one saying do this  
No one saying be there  
No one saying stop that  
No one saying see here  
Free to run around all day  
Free to do it all my way

I think it's time that you and I  
Arranged a heart to heart  
Kings don't need advice  
From little hornbills for a start  
If this is where the monarchy is headed  
Count me out  
Out of service, out of Africa  
I wouldn't hang about

This child is getting wildly out of wing  
Oh, I just can't wait to be king!

Everybody look left  
Everybody look right  
Everywhere you look I'm  
Standing in the spotlight

Let every creature go for broke and sing  
Let's hear it in the herd and on the wing  
It's gonna be King Simba's finest fling  
Oh, I just can't wait to be king!  
Oh, I just can't wait to be king!  
Oh, I just can't wait to be king!

## Zoo

Come on, get on up  
We're wild and we can't be tamed  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah  
Hop-ah, hop-ah, oh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah  
Hop-ah, hop-ah, oh

We live in a crazy world, caught up in a rat race  
Concrete jungle life is sometimes a mad place  
It's you and me together at the end of a wild day  
Don't keep it all bottled up, and release your energy

Hey, oh-ayy, only reason we are here is to celebrate  
In a place where anyone can be anything  
Hold on to this moment, don't let it fade away  
Baby, keep the music playin'

Come on, get on up  
We're wild and we can't be tamed  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Come on, keep it up  
It's fun if you're down to play  
And we're turnin' the floor into  
A zoo, ooh, ooh

Hop-ah, hop-ah, hop-ah, hop-ah, ah  
Hop-ah, hop-ah, oh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah (A zoo, ooh, ooh)  
Hop-ah, hop-ah, oh

We live in a heated time, no chance to cool down  
Continuously confined, and what do we do now?  
It's all about finding love, sometimes hard to come by  
But when it comes to us, it's always a good time

Hey, oh-ayy, only reason we are here is to celebrate  
In a place where anyone can be anything  
Hold on to this moment, don't let it fade away  
Baby, keep the music playin'

Come on, get on up

We're wild and we can't be tamed  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Come on, keep it up  
It's fun if you're down to play  
And we're turnin' the floor into  
A zoo, ooh, ooh

Hop-ah, hop-ah, hop-ah, hop-ah, ah (A zoo, ooh, ooh)  
Hop-ah, hop-ah, oh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah (A zoo, ooh, ooh)  
Hop-ah, hop-ah, oh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah (A zoo, ooh, ooh)  
Hop-ah, hop-ah, oh  
Hop-ah, hop-ah, hop-ah, hop-ah, ah (A zoo, ooh, ooh)  
Hop-ah, hop-ah, oh

I'll take you higher, I'll take you higher  
We can't be tamed, baby, I'll take you higher  
I'll take you higher, I'll take you higher  
And we can't be tamed, baby, I'll take you higher  
Es una fiesta que sube como la espuma  
Yo por ti iré hasta la luna de ida y vuelta  
Es una fiesta que sube como la espuma  
Yo por ti iré hasta la luna de ida y vuelta

Come on, get on up  
We're wild and we can't be tamed  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Come on, keep it up  
It's fun if you're down to play  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Come on, get on up  
We're wild and we can't be tamed  
And we're turnin' the floor into  
A zoo, ooh, ooh  
Come on, keep it up  
It's fun if you're down to play  
And we're turnin' the floor into  
A zoo, ooh, ooh
