

6th February 2026

Dear Parents/Carers,

We would like to thank all the parents, grandparents and relatives who came into school to read to the children this week. The children really enjoyed the sessions and want to know when they can come in again!

Mental Health Week

The week commencing Monday 9th February 2026 is Children's Mental Health Week. This year's official theme is '**This is My Place**' encouraging the creation of environments where pupils can feel they really belong. We will be focusing on this theme across school life.

Donations

We currently have enough spare school uniform, however we are very short on underwear and socks. If any parents are having a sort out of their child's outgrown clothes we would appreciate donations of underwear and socks.

Head Lice

Parents in two classes in school have told us they have had to treat their child's hair for head lice. We would be grateful if you could check your child's hair and treat if necessary. They are easily spread in young children and this is why we ask that hair is always tied up for both our boys and girls.

World Book Day

This year World Book Day is on Thursday 5th March. This annual celebration of authors, illustrators, books and the joy of reading is one of the highlights of the year for our children. This year it falls on Parents' Evening, **we have therefore decided to move our day for dressing up to Friday 6th March.** On the day the children can come dressed as a character from a favourite story or in their own clothes if they wish.

Headteacher Award

This week the Headteacher's Award is being given to Penelope Heraty 2T. Penelope has been a superstar in Year 2, she is a good friend who always puts lots of effort into her work. Well Done Penelope.
