

6th March 2026

Dear Parents/Carers,

The teachers were pleased to meet so many of our parents and carers this week for our Spring Parents' Evening slots. I'm sure you will all agree that your children have worked very hard and made great progress this year.

World Book Day

The children looked wonderful today dressed up for World Book Day and an exciting day was had by all. Photographs of World Book Day can be found on our website.

If you still have your World Book Day voucher why not visit The Mansion House Bookshop in Calderstones Park? There you can exchange the vouchers for a wide selection of the 15 specially produced books.

Science Week

British Science Week takes place between the **6th to 15th March** and the theme this year is '**Curiosity: what's your question**'. The children will be encouraged to explore their innate curiosity, sparking questions about the world around them.

Our Science Week Challenge: This year's class challenge is to see who can design a vehicle that moves using only the force of blowing on it.

Tesco Stronger Starts

Thank you to everybody who helped us achieve second place in the recent 'Stronger Starts' token collection. The PTA have received £1,000 that will be used to enhance Active Play with new playground kits, extra equipment and a sensory balance beam for the Nursery.

Contacting School

If you need to contact school via email we have two email addresses to use: support@bookeravenue-inf.co.uk or admin@bookeravenue-inf.co.uk. Teachers' individual email addresses are only used to send reports at the end of year and are not monitored at other times throughout the year.

Red Nose Day

This takes place on **Friday 20th March**. The children can wear whatever they would like to wear on the day. We will have collection buckets organised by Miss Bookey and The School Council.

Headteacher's Award

This week the Headteacher's Award is being given to Max Wang 1L. Max is a hardworking little boy who always tries his best and is a good friend to his classmates. Well Done Max.
