

8th May 2026

Dear Parents/Carers,

This week, Miss Bookey, the School Council, and all Year 2 pupils have been observing and discussing the traffic situation on Booker Avenue. They have written persuasive letters to support the setting up of a pedestrian crossing, in some form, on Booker Avenue.

I am sure you would agree that it is a very busy road that is extremely difficult to cross. With this in mind we have created a Google form that we would like families to complete and this will be sent out today.

We will collate the information and moving forward use this and our letters to begin our promotion of this issue with council. We feel this situation cannot continue and hope our families will support us in trying to find a resolution to this problem.

Summer Concert

We are getting closer to our Summer Concert dates. The two dates for the concert are **Tuesday 19th May** and **Wednesday 20th May** and they will take place on the Year 2 playground. Next week we will be completing our final risk assessment for the event and would ask parents/carers to **request any tickets by Thursday 14th May**.

Year 1

The Year 1 pupils are off to Formby Nature Reserve on **Wednesday 13th May**. They can wear their school uniform or their PE Kit for the trip. They will leave school at 9.15 and return at 3pm, they will need a packed lunch in a small backpack.

Headteacher Award

This week the Headteacher's Award is being given to Isabelle Atkinson (who is also Class Star of the Week). Isabelle is a little girl who works hard, is kind and caring and is an absolute Superstar every day. Well done Isabelle.

Class Star of the Week Badge
