

19th June 2026

Dear Parents/Carers,

The children in Reception had an extremely energetic visit to the beach on Thursday with perfect weather, unlike the Year 1 and Year 2 visits. They were very well behaved and on the coach back we had lots of sandy, tired children. Let's hope the weather is kind for our Year 1 visit to Knowsley Safari Park on **Thursday 25th June** – hopefully not *too* warm.

World Cup Week

Next week Mr Thorpe will be organising World Cup Football days for the children. This will involve all the children playing football in Year Group five-a-side teams, these will take place on the 3g pitches on Heron Eccles field. We will follow a cup format with quarter finals, semi-finals and a final to be held the following week.

Next week we would like the children to wear sportswear each day for school. This can be their PE Kit, any football kit or any shorts and t-shirts and trainers or pumps. They will also need a hat/cap and sun cream as the forecast is for warm weather. Your child can wear their school uniform if they prefer.

Members of staff will be with the children and will escort them to and from the pitches before and after the matches and also for any toilet visits. We will also have water stations set up.

Year 2 Performance

The Year 2 pupils will be performing Alice in Wonderland for their parents and carers on **Thursday 9th July**. There will be two performances one at 9.30am and one at 2.15pm.

Headteacher Award

This week the Headteacher's Award is being given to Connie Bennett 1P. Connie always works hard in all lessons and she is a lovely, kind and caring friend to her classmates. Well done Connie.

Class Star of the Week Badge

2B – Emilia Parsons; 2D – Joshua Ormond-Prout; 2T - Charlie Kennedy

1L – Ameara Abdul; 1P – Melody Kanani; 1S – Zanib Khan
