

26th June 2026

Dear Parents/Carers,

School has been very hot and bothersome for the children (and staff) this week but they have all been superstars. Unfortunately, we had to make the decision to limit physical activity in the heat and also had to rearrange the Year 1 Summer visit to Knowsley Safari Park. We have re-booked the coaches for Monday 7th September and the current Year 1 teachers will accompany their 2025/26 class on a visit to the Safari Park. We were unable to secure any availability for the remainder of this term.

On **Monday 29th June** Mr Thorpe will be holding the Year 1 and Year 2 World Cup semi- final and final matches on Heron Eccles 3g pitches and on **Thursday 2nd July** a sports activity day for all the children will be held.

Next week the children can wear sportswear for school every day if they wish.

The Big Future

The Children's Commissioner for England (Dame Rachel De Souza) has launched a national survey, The Big Future. She is asking for support in ensuring that our pupils take part - the survey can be accessed here:

<https://www.childrenscommissioner.gov.uk/thebigfuture>

It is vital that that she hears from children in every school, college and community across England. If pupils from our school do not participate, their experiences, views and aspirations will be absent from the national picture that will be helping to shape future policy and decision-making.

This week the Headteacher's Award is being given to Freya Wilson RJ. Freya works hard in all her lessons and is a lovely and kind friend to her classmates. Well done Freya.
