

3rd July 2026

Dear Parents/Carers,

The children have had a lovely week, on Monday they watched the semi-finals and finals of the Year 1 and Year 2 World Cup matches. Mr Thorpe also organised a Sports' Day for the whole school on Thursday. The children enjoyed lots of fun races and I am sure that if you live around here you must have heard his music system.

Earlier this week we met our new Reception 2026 classes as they joined us for individual class-based Teddy Bears' Picnics and today our Reception 2025 had an end of year Teddy Bears' Picnic. We hope all the children and grown-ups enjoyed themselves.

Commitment to Communication

On Tuesday Miss Burgess (RD) was very surprised when she received a bouquet of flowers, chocolates and a certificate from Language Box, a local Speech and Language company. She received the award in recognition of her support in developing children's language skills in school. Well Done Miss Burgess.
