

18/9/26

Dear Parents/Carers,

The typical British weather tried to put a dampener on our UK Military School Activity Days but our children and their families showed resilience and powered through. Thank you for your lovely messages about how much the activities were enjoyed. Jonah in Year Two summed up a lot of the children's responses with 'It was the best day in school ever'.

Lunchtime

The Nursery and Reception children have been very good at lunchtime and have quickly learned the lunchtime routine. The meals are freshly prepared by Mr Rob and his team following the 'Food for Thought' menu. The menu for the week ahead is posted on the Dining Room window and main door window. Monday is always 'meat free' and Quorn and Halal options are offered as well as an alternative choice. Reception children are offered milk with their meals. All the children in school take their water bottles into the hall at lunchtime. The school receives fruit daily as part of the free fruit in school scheme and this is offered during the course of the morning to all the children in school. We ask that children do not bring their own snacks into school.

Celebration Assembly

Next week the Reception children will join us for Celebration Assembly. If your child has achieved in an activity outside of school, they can come to assembly on a Friday to share that achievement. Some examples of things we share are certificates, medals, badges and belts in sport, dance, drama or music. Special family events are shared as well. The children love to show and tell.
