

10th October 2025

Dear Parents/Carers,

We hope the children enjoyed World Mental Health Day in school today. It was lovely seeing the children listening and drawing along with the Nick Sharrat and Pippa Goodhart's author Zoom in the hall. We have definitely got some wonderful artists in our school.

This week we had another parent visitor in school. Hayley Jones, mum of Betsy [Nursery] and Harry [2B] came into the Nursery to talk about being an engineer. The children had a wonderful time finding out about wind power with the help of handheld windmills. We really appreciate parents/carers helping us bring the curriculum to life.

On **Tuesday 14th October** the Year Two children will be going on a walk around the local area to support their literacy work. This week's literacy book is called 'On the Way Home' written by Jill Murphy, a lovely story about imagination and storytelling. We hope the walk will spark our Year Two's imagination for their Big Write.
