2/10/26

Dear Parents/Carers,

This week we have had an external visitor come into our school. On Wednesday Elaine Fanning talked to the Year 1 children about Birthday Celebrations when she was a child. Elaine is a Guide Leader at Mossley Hill Church and is also a Governor at our school. We would like to thank Elaine; external visitors really help to bring the school curriculum alive and help motivate and engage the children.

Fire Drill

Next week we will be performing a fire drill. We usually try to pick the best day of the week weather wise and at the moment it looks like it will be Thursday morning. We perform fire drills termly; next week's is known to all on site, Spring Term's drill is known to staff only and Summer's drill is unannounced. We try to prepare the children for the drill as the bell is noisy and can be quite scary the first time, if unprepared. You can share this information with your child and we will be talking about it in school.

World Mental Health Day

Saturday 10th October is World Mental Health Day and the theme for 2026 is 'Being Heard'. In our weekly Mental Health and Emotional Wellbeing (MHEWB) assembly the children will be reminded that everyone has the right to good mental health.

Parent Teacher Association [PTA]

The PTA are holding their AGM in the Greenhills pub at **7pm on Monday 19th October**, all are welcome. School would like to thank the PTA committee members for all their time and support given to raise extra funds for school.

Flu Immunisations

School Health will undertake our school's flu immunisations on **Thursday 15th October**. The team will immunise the children whose parents/carers have consented by completing the form that is sent to parents/carers via email. Please ensure you have completed the form *even if you do not wish your child to receive the immunisation.*

Foodbank Collection

On **Wednesday 21st October 2026** we will be having our annual collection for South Liverpool Foodbank. All donations are very welcome - children can bring donations to school, and they will be put on tables outside the front doors. A list of requested/suggested items for this year's collection will be sent in next week's newsletter.

Our School Council pupils and SNAG (School Nutrition Action Group) Team pupils will help with the collection. The South Liverpool Foodbank Team will collect the items later in the morning.

Headteacher Award

This week the award is going to Isabelle Atkinson 2D. She has been working really hard since moving up into Year 2 and she always tries her very best. She listens carefully and is always very respectful, one of our school values. Well Done Isabelle.

Class Star of the Week Badge

2B – Sofia McCormick; 2D – Eva Westwood; 2P – Winter Crawford
